

**FINE ARTS** is a ministry that allows students to discover and develop their gifts. Students may present or submit entries into the divisions of Art, Communication, Drama, Exhibition, Instrumental, Vocal and Writing.

We believe the world is changing and moving to a more arts-dominant culture with media being the driving force. We believe it is our job to develop Christian creatives to help shape the culture of the arts. We are doing that through Fine Arts in helping students in Rocky Mountain discover, develop, and deploy their gifts in the arts.
