THE JAMES MEHTOD PRAYER AND BIBLE JOURNAL

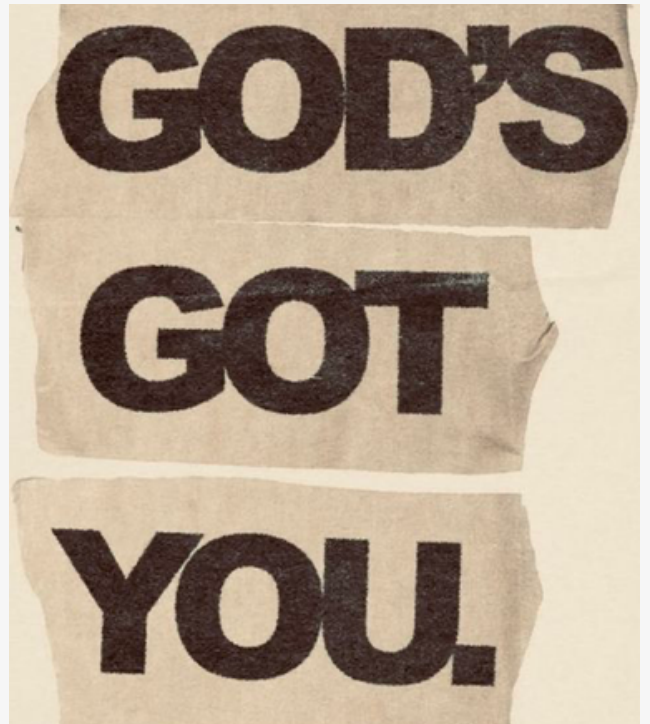

The James Method Verse Map Journal is completely changing the way people are digging into Scripture! Verse mapping is a technique used to gain a deeper understanding of God's Word. It is a method of breaking down a verse by identifying keywords, historical context, alternate translations, and cross-references. Verse mapping goes beyond just reading. It digs deep into scripture revealing connections, consistencies, and truths in the Bible that are so easily overlooked.

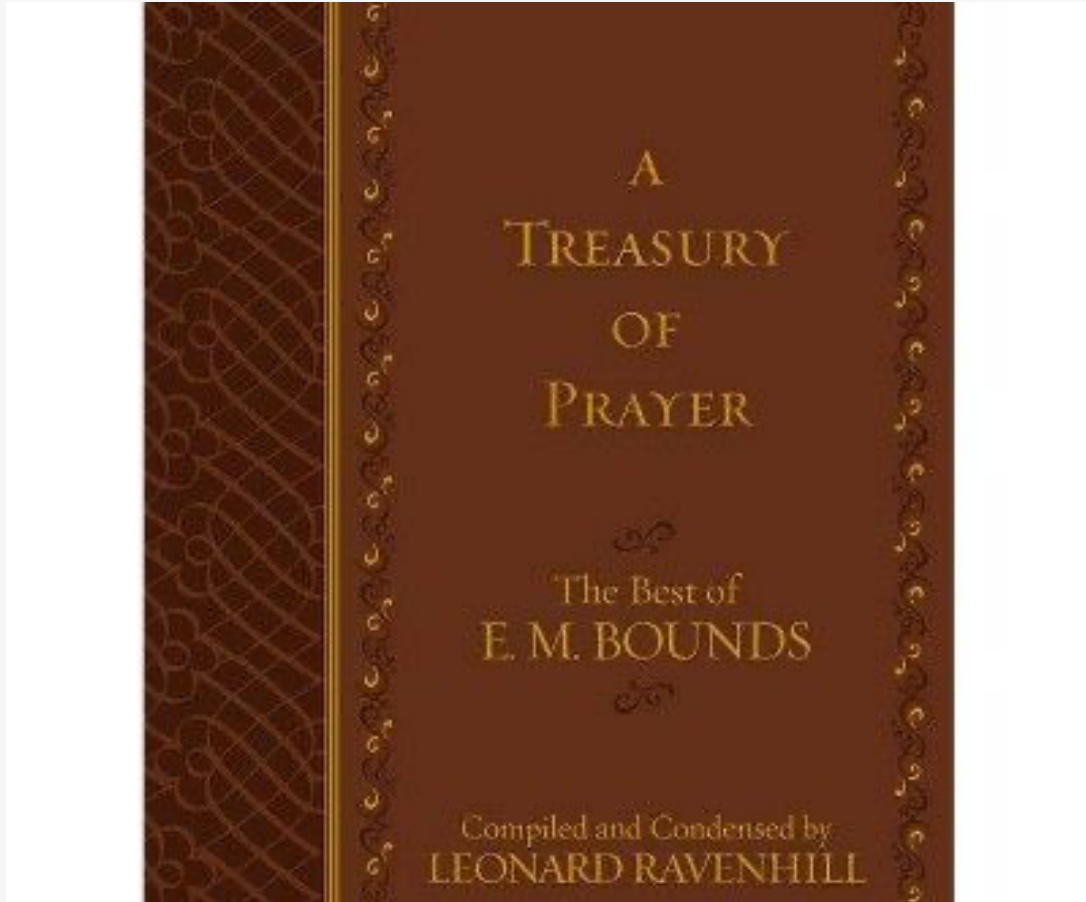

THE NAVIGATOR PRAYER METHODS

The Navigators Ministry is focused on developing disciples person-by-person and encouraging spiritual growth across life stages. They offer several options to lead your small group through a series of prayers. In the following link you will see several options that will help you lead others to the heart of God.

PRAYER APPS

Apps like The Daily Prayer App, the Bible App and the Bible Engagement app, all provide easy to follow and easy to track prayers to help your church motivate each other to a better prayer life. Check out other apps like, Hallow, Prayminder, Abide, Echo and Blessed.

“A TREASURY OF PRAYER.”

A Treasury of Prayer is an inspirational book that features the best of seven books on prayer by E. M. Bounds in a single volume, compiled by preacher and intercessor Leonard Ravenhill. E. M. Bounds, one of the most prolific and powerful writers on prayer, said, “Men and women are needed whose prayers will give to the world the utmost power of God, who will make His promises to blossom with rich and full results.”

OTHER CLASSIC BOOKS ON PRAYER

There are many books written on prayer. We all love the ODG's, Old Dead Guys! Here is a small list of some of the books written on prayer. If we left one of your favorites off, please comment in the comment section and let us know what other prayer resources you would include.
